## Exposition of new Fall Fashions

Thursday, Friday, Saturday

EVERY style center in the country has contributed to the wealth of fashions that await your inspection here tomorrow. Come—enjoy the pleasure which the viewing of new styles always gives—and at the same time inform yourself of every new fashion thought brought forth for fall in—

**Suits Coats Dresses Blouses  
Millinery Footwear Corsets  
Silk and wool dress fabrics  
and all dress accessories**

Opening days are always days of comparison. Tomorrow Tri-City women will make a tour of inspection and decide—each one for herself—which store has the best styles—the most advantageous prices, in a word, which store can supply her with the fashions she wants at the price she wants to pay.

This year more than ever before we welcome this test, secure in the knowledge that there are better assortments of styles and more "dollar for dollar" value at Harned and Von Maur's than is to be found any place else in the Tri-Cities. We confidently await your verification of this statement.

On the eve of your visit, we are more than pleased to be able to tell you that prices in general, and on ready-to-wear in particular, are noticeably lower than they were this Spring
